

SIG: Building a Successful Compensation Plan

Presented by Bob Horvat

The Compensation Resources Group

Thursday, September 9, 2010

8 a.m.—11 a.m.

Location: The Parinet Group

What to expect to learn at this event:

- Compensation is a management tool and motivator, not an expense
- When and why to conduct compensation market studies
- Dos and Don'ts of designing incentive compensation programs
- The current state of executive perks
- Long term incentive compensation plan options for privately held companies
